## Grade 11

**English**

**Math**

**History**

**Phys. Ed/Health**

**Minimum one 30S elective**

- Most grade 10 students will have earned 18-20 credits by June 2023
- In Grade 11 there are 4 compulsory courses and room for 6 elective courses
- Grade 11 students must have a minimum of 3 courses per semester

# New Opportunities for Grade 11

---

## English

- Transactional - True Stories  
- ELTT30S
- Comprehensive - ELC30S
- Literary - ELL30S

# Compulsory Courses – More Information

## English Literature - ELL

---

- Designed to prepare students for post-secondary education
- School will be shifting expectations of students in this course:
  - Higher expectations for the workload a student will need to manage, the level of difficulty of the work they will be assigned, and the student's ability to manage their work independently.
- Grade 11 ELL30S will be required to register for Grade 12 ELL40S\*\*
- Low marks in ELL30S will lead to recommendations to take other G12 English courses

Consider taking a second English course if you are concerned about your marks for university applications.

# New Opportunities for Grade 11

Look at university/college requirements, both for admission and for scholarships, to help guide your high school course registration

- **If you have a definite plan...**check out the requirements from schools with your program of interest
- **If you want to keep your options open...**aim to meet the general requirements of the U of M and U of W

# Planning for Post Secondary Education

## Plan your Courses at Registration

---

Look Ahead - See what is required for programs you might be interested in studying

- Is a specific math course required? Does it have a minimum grade higher than 50%?
- Are specific science courses required (Chemistry, Biology, Physics)?
- What courses do you need to be
  - accepted (admission)
  - eligible for scholarships
